- K.I.D.S. Request for /funding - The 5th grade teacher, (8 teachers / 5 classrooms) requested \$1500 to provide differentiation in the 5th grade classrooms through flexible seating, leveled books, and learning materials. The funds will enable teachers to purchase supplies to reach all learners in the classroom. We will purchase these materials from Scholastic, Amazon, Lakeshore,
- Ms. McDevitt, on behalf of the 7th grade (5 homerooms) requested \$1314, to pay for the cost of 3 buses for the 116 7th grade students for their service day field trip to cleanup Brigantine Beach.
