**E. Student Recognition**

*A Student of the Month is an active listener and member of the community who continually strives for personal excellence and respects all staff, students, and community members by supporting the Six Pillars of Character. Students of the Month contribute to an overall positive school environment. Grade level teachers work together to nomination just one student from grades five through eight each month throughout the academic school year. Those selected as Student of the Month serve as role models to their peers and should be extremely proud of their efforts and recognition!*
