Dear BCS Community,

According to the Berlin Borough reopening plan, there are three times during the school year that I must evaluate whether or not sports will go forward or not. At this time, I am announcing that Spring sports are canceled. It has been stated many times that these are challenging times with challenging decisions. Whether or not to go forward with sports and extracurricular activities has been one of my most challenging decisions. I believe it is in the best interest of all stakeholders to take this action.

As I have stated previously, I have used the available science and data to make determinations and recommendations as it applies to the Berlin Borough School District. We have achieved an important goal of reopening for onsite learners two weeks ago. I must consider all precautions when it comes to keeping the school open for onsite learning.

Please know that this decision was after careful consideration.

Respectfully,
